A 'Classic' welcome

On behalf of the board of Directors of the Canadian Sheep Breeders' Association, I would like to take this opportunity to welcome everyone to the 31st All Canada Classic in Barriere, BC. The Classic is Canada's largest sheep event and with 356 entries, I expect to see the very best sheep that Canada has to offer.

Consignors from eight provinces will be bringing top quality sheep from 16 different breeds. Not only will you have the opportunity to purchase champion and performance-tested stock, you will also have the chance to catch up with old friends, exchange ideas and share in the excitement that the sheep industry holds today.

On behalf of the board of directors, the CSBA members and myself, I would like to thank the BC Purebred Sheep Breeders' Association for the hard work they have contributed in organizing the All Canada Classic. Without their dedication to this event, it could not be a success.

I look forward to continuing a 30-year tradition with you in Barriere!

Re: 2013 All Canada Classic Sheep Show and Sale

On behalf of the District of Barriere Council and our community, I wish you a heartfelt and warm welcome to Barriere.

We appreciate that you have chosen our community to hold the *2013 All Canada Classic Sheep Show & Sale*.

Barriere has a long and rich agricultural history as is evidenced by the facilities the North Thompson Fall Fair & Rodeo Society has put together to host events such as yours. Each year brings new opportunities to expand our experience and knowledge of the agricultural lifestyle as well as the important role agriculture plays in our society. Prestigious events such as the *All Canada Classic Sheep Show and Sale* allow our community to experience the best of the best right here at home.

Please take the time while you are here to meet the residents and explore our community as well as the surrounding area. Once you have experienced our friendly atmosphere and enjoyed the beauty of where we live I am sure you will want to return. We will welcome you with open arms.

Again, thank you all for coming and have a great show and sale.

Best regards,

Bill Humpheys
Mayor
District of Barriere

Greeting from the Thompson-Nicola Regional District

As Chair of the Thompson-Nicola Regional District (TNRD), I would like to welcome you to the All Canada Classic Ram & Ewe Show in the beautiful community of Barriere, BC. We are honoured that our region was chosen to host this national event, as we are home to a terrific balance of rural quality of life and nearby urban amenities. The TNRD stretches over 45,279 square kilometres, from Albreda to Chase, 70 Mile House to Westwold, including many communities in between. The TNRD is home to over 122,000 people, many of which whom have chosen a lifestyle that value close-knit community, natural surroundings, and a rural lifestyle. While you're in the TNRD, please take time to enjoy our fantastic outdoors, friendly local businesses, and numerous unique recreational opportunities.

I would like to extend a huge thank you to the organizers of the All Canada Classic Ram & Ewe Show. They have worked tirelessly to coordinate an event that will be memorable for years to come for the numerous attendees from as far away as the east coast. You have come here to show your best sheep, participate in a lively sale, and catch up with old friends and colleagues. We are particularly proud that the event organizers have chosen one of our local jewels, the North Thompson Agriplex, as the venue to host the Show. As this is one of the newest structures in the TNRD and particularly one of excellent quality and potential, we are happy to have the opportunity to show it off to delegates from across the country.

Choosing a rural lifestyle, and particularly one focused on working with animals, comes with a quality of life that few people understand until they experience it. Whether you are from the west, east, or central Canada, there are commonalities in ways of life and experiences that are only fully acknowledged by those participating in livestock-focused Canadian lifestyle. I hope that the 2013 All Canada Classic in Barriere is a chance for every attendee to share in the best that sheep breeding has to offer.

Once again, welcome to the Thompson-Nicola Regional District and enjoy the Show!

Randy Murray, Chair
Thompson-Nicola Regional District

REGISTRATION CERTIFICATES: Original registration certificates must be signed on the back for transfer and submitted to the sales office upon arrival at the Classic. This applies to all entries with no exception. Failure to supply the registration certificates will cause the animal to be excused from the sale without a refund of entry fee and the animal must be removed from the sale facility. Following the sale and financial settlement, the CSBA office will process transfers and the cost will be deducted from the consignor's sale proceeds. The transferred registration paper will be sent directly to the buyer from the CLRC.

IDENTIFICATION: All consigned animals must either bear legible tattoos or paired CSIP tags. Confirmation that the identification stated on the registration paper is borne by the consigned animal is the responsibility of the culling committee. All consigned animals must bear a CSIP tag according to CFIA regulations. Animals failing to meet the identification standards will be culled from the sale and must be removed from the sale facility.

TERMS: Payment may be made by cash, personal cheque, debit card, Visa or Mastercard. Animals will not be released from the sale facility until payment is processed. Registration papers will be transferred when personal cheques have cleared the bank.

GUARANTEE: Each consignor guarantees clear right and title to all animals that present for sale.

All animals are guaranteed breeders if properly handled.

All **males** are guaranteed breeders. Should any ram fail to prove to be a breeder, any claim for adjustment must be made within 18 months of the date of sale. A satisfactory settlement shall be deemed to be replacement with another ram of equal value and health status or refund of purchase price.

The seller shall have the right, if so desired, to try a ram for as much as 75 days to determine whether he is a satisfactory breeder, before making final adjustment.

All **females** are guaranteed breeders. Should any female 12 months of age or older, not pregnant at the time of sale, fail to become pregnant during the current breeding season, the purchaser has the right to claim adjustment in writing to the seller within 12 months of the sale. Should any female younger than 12 months of age and not pregnant at the time of sale, fail to become pregnant during the current breeding season, the purchaser should notify the seller within 12 months from the date of sale, but wait to see if the ewe again fails to become pregnant by 24 months of age, before claiming adjustment in writing to the seller. Satisfactory settlement shall be deemed to be replacement with another ewe of equal value and health status or refund of purchase price.

The purchaser shall notify the seller as soon as any concern with an animal arises.

Exposed ewes of any age, even if marked prior to sale, are not guaranteed to be pregnant or produce living lambs.

Under no conditions will the seller be liable for more than the original purchase price of the animal.

The seller may direct the marketing of the animal and refund the difference between the purchase price and the market value as shown on the sales receipt.

No incidental expenses, such as feed, care, etc., will be charged by either party when making settlement.

All transportation charges are the responsibility of the buyer.

No settlement will be completed until the registration certificate is retired or endorsed and returned to the seller.

Any settlement of such guarantee is between the seller and buyer and is subject to the restrictions set out above. The Canadian Sheep Breeders' Association and the BC Purebred Sheep Breeders' Association assume no responsibility, expressed or implied, with respect to this guarantee or the restrictions set out above.

RISK/REMOVAL: All animals are at purchaser's risk as soon as sold. Delivery must be taken at conclusion of sale. All animals must be removed from the barn by 9pm on Sunday, June 30, 2013.

ERRORS: If any errors are noted, corrections will be made from the auction stand. All announcements at sale time, written or oral, supersede any material written in this catalogue.

LIABILITY: The Canadian Sheep Breeders' Association, the BC Purebred Sheep Breeders' Association and their directors, owners and employees accept no liability that may occur. Accidents at sheep sales are very rare, but all attending must do so at their own risk.

Announcements:

1) Reserve bids – as a result of a request from the provincial organizing committee, the CSBA board decided that consignors in the 2013 Classic will be permitted to have reserve bids. The auctioneer will manage the reserve bids using a process developed by the CSBA. If animals do not sell, consignors will be charged commission on the reserve bid. The CSBA's policy on reserve bids is available on the CSBA's website.

SANTÉ et SOLIDITÉ : Tous les animaux seront réformés de façon stricte par le comité de réforme et le vétérinaire traitant. Prière d'inspecter vos animaux avec soin chez vous. La liste suivante énonce certains des caractéristiques physiques indésirables qui conduiront à la réforme d'un animal, mais elle n'est pas exhaustive de tous les motifs de réforme.

1. Disclusion
2. Boiterie
3. Présence de parasites externes
4. Lésions d'ecthyma contagieux
5. Abcès
6. Entropion
7. Malformation génitale
8. Cote de condition physique inférieure à 2
9. Toute autre maladie qui concerne le vétérinaire

Le comité de vente est autorisé à régler tout différend en ce qui concerne la réforme et à interpréter les règles. Ses décisions seront finales.

Tous les animaux ayant été réformés doivent être immédiatement retirés de l'installation de vente.

CERTIFICATS D'ENREGISTREMENT : Les certificats d'enregistrement originaux doivent être signés à l'endos pour le transfert et soumis au bureau des ventes à leur arrivée à la Classique. Cela vaut pour toutes les participations sans exception. À défaut de fournir les certificats d'enregistrement, l'animal sera exclu de la vente sans remboursement des droits d'entrée, et l'animal devra être retiré de l'installation de vente. Après la vente et le règlement financier, le bureau de la SCÉM traitera les transferts, et le coût sera déduit du produit de la vente du consignateur. Le document d'enregistrement transféré sera envoyé directement à l'acheteur par le SCEA.

IDENTIFICATION : Tous les animaux consignés doivent porter des tatouages lisibles ou des étiquettes PCIM jumelées. Il incombe au comité de réforme de confirmer que l'animal consigné porte l'identification indiquée sur le document d'enregistrement. COMMISSION : La commission de vente est de 15 %, avec les

exceptions suivantes : la commission minimale sur les animaux qui se vendent sera de 30 \$ et la commission maximale sur les animaux qui se vendent sera de 150 \$. La commission sera déduite du produit du consignateur.

ACHETEURS : Les acheteurs doivent se procurer un numéro d'acheteur auprès du commis des ventes pour pouvoir enchérir à l'encan. Les acheteurs doivent donner leurs noms et prénoms, leur adresse, leur numéro de téléphone et leur adresse de courriel et indiquer exactement comment chaque animal doit être transféré.

CONDITIONS : Le paiement peut être fait au comptant ou par chèque personnel, carte de débit, Visa ou Mastercard. Les animaux ne pourront pas sortir de l'installation de vente avant le traitement du paiement. Les documents d'enregistrement seront transférés lorsque les chèques personnels auront été compensés par la banque.

GARANTIE : Chaque consignateur garantit que le titre sur tous les animaux présentés à la vente est libre de toute charge.

Tous les animaux sont des géniteurs garantis s'ils sont manipulés de façon appropriée.

Tous les **mâles** sont des géniteurs garantis. S'il s'avère que le bélier n'est pas un géniteur, la demande de rajustement doit être faite dans les 18 mois de la date de la vente. Un règlement est considéré comme satisfaisant s'il y a un remplacement par un autre bélier de valeur et d'état de santé équivalents, ou un remboursement du prix d'achat.

Le vendeur a le droit, s'il le désire, d'essayer un bélier pendant un maximum de 75 jours pour voir s'il est un géniteur satisfaisant, avant de faire le rajustement final.

Toutes les **femelles** sont des génitrices garanties. Si une femelle est âgée de 12 mois ou plus, n'est pas enceinte au moment de la vente et ne tombe pas enceinte au cours de la saison d'élevage en cours, l'acheteur a le droit de réclamer un rajustement au vendeur, par écrit, dans les 12 mois de la vente. Si une femelle de moins de 12 mois, qui n'est pas enceinte au moment de la vente, ne tombe pas enceinte au cours de la saison d'élevage en cours, l'acheteur devrait aviser le vendeur dans les 12 mois de la date de la vente, mais attendre de voir à nouveau si la brebis ne tombe pas enceinte dans ses premiers 24 mois, avant de réclamer un rajustement au vendeur, par écrit. Un règlement est considéré comme satisfaisant s'il y a un remplacement par une autre brebis de valeur et d'état de santé équivalents, ou un remboursement du prix d'achat.

L'acheteur doit aviser le vendeur dès qu'il y a une préoccupation au sujet d'un animal.

Il n'est pas garanti que la brebis exposée, à tout âge, même si elle est marquée avant la vente, est enceinte ou produira des agneaux vivants.

En aucun cas, le vendeur ne devra payer plus que le prix d'achat

original de l'animal.

Le vendeur peut ordonner la commercialisation de l'animal et rembourser la différence entre le prix d'achat et la valeur marchande indiqués sur le reçu de vente.

Aucuns frais accessoires, par exemple, pour les aliments, les soins, etc. ne seront imposés par l'une ou l'autre partie au moment du règlement.

Tous les frais de transport sont à la charge de l'acheteur.

Graymar Great Pyrenees

35 years of breeding for
effective livestock
protection qualities

On our leased Silver Spray Farm property, the Wildlife Specialist stated “there have been more predator interactions on Silver Spray over the past 50 years than any other farm in BC”.

There has not been a single predator interaction in the 8 years we have had our pure-bred Dorset flock attended by our Pyrenees guardians. In over 8 years of Brushing and Weeding contracts on remote forestry blocks all over BC, we have never had a predator interaction on any of our operations, due to the devoted work done by our dogs.

Pups: \$1200 with a 3 year health guarantee.

Breeding stock all tested “excellent” or “good” for hips.

Briar Glen Dorsets

35 years of selective
breeding for sound,
productive, easy to
manage sheep.

Briar Glen Dorsets have topped the Olds Test Station, had the high selling Dorset Ram and Ewe at the All Canada Classic in past years, and won numerous carcass competitions, with low back fat and high yields. Neither extreme nor old-fashioned.
